

# How I Make \$10 Every Day From The Internet

Simply by changing my searching habits I managed to net myself \$10 every single day. I did not realize it could be possible to make money from doing something that I already do! This new program is easy and anyone can do it. Simply switch search engines and get paid to search, paid to do what you already do! I get a minimum of \$10 every day doing this, I will show you how. Follow the steps below and get earning this easy money today.

1. Go Here: <http://tinyurl.com/yoc4rr> and Sign Up For A Free Account

2. Set Up Your Browser & Homepage As Suggested

3. Before You Start Searching, Post A Positive Comment Here:

<http://www.reallyreally.net/chit-chat/how-to-get-paid-to-search-the-internet-like-me.html> Be Sure To Leave The Email Address That You Used To Sign Up With In The Comment. I Will Personally Email You With Detailed Instructions On How To Get Started. Importantly I will also teach you how to earn the MOST money from this program.

**That is it! You are done!**  
**Wasn't That Easy.....?**  
**Now Get Started!**
